

# CARIBBEAN SAILING PASSAGES

JULIO VERNE  
NÁUTICA

## THE EXPERIENCE

The voyages aboard La Peregrina are designed for those who want to discover the Caribbean by sail.

This experience combines nautical tourism with educational opportunities. A voyage full of learning and active tourism, sailing sustainably.

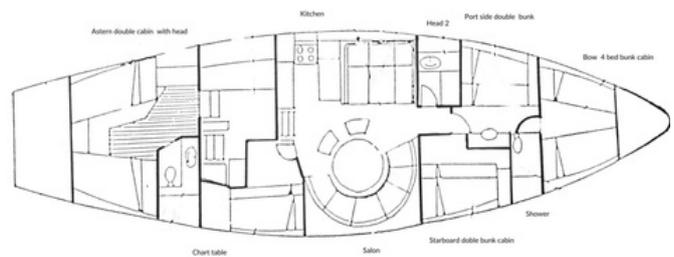

# THE YATCH: LA PEREGRINA

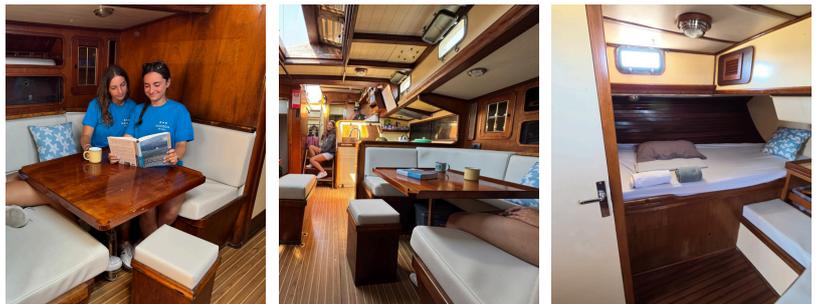

A 70-foot steel ocean-going sailing yacht, ketch-rigged and designed by German Frers, one of the most renowned naval architects of all time.

The yacht was originally commissioned by his brother, who wanted a vessel capable of sailing around the world with ease, comfort and safety.

### Specifications:

- Model: Custom build – German Frers 696
- Length overall: 20 m
- Year built: 1984
- Day capacity: 12 guests + 6 crew
- Overnight capacity: 11 guests
- Cabins: 5
- Heads: 2 + 1 separate shower

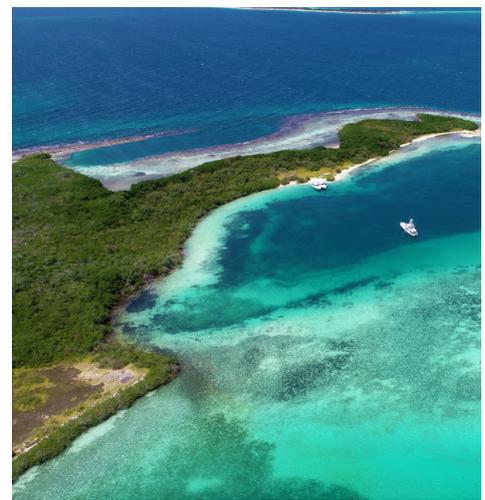

La Peregrina underwent a complete refit in 2024-2025, including a complete overhaul of the electrical system, electronics, engine, rigging, cabins, and much more.

La Peregrina's skipper is an experienced RYA instructor.

Boat equipment: Zone 1 ocean sailing without restrictions, plus RYA and MCA recommendations.
